Cod you pass me the salt?

You won't catch us doing things by halves here. We've spiced up our menu to ensure every bite is as mouth-watering as the last. We've shaken up the usual chip shop condiments, and you could say we've gone for a more so-fish-ticated approach...

Whether you fancy a sprinkle of smoked paprika salt or a dash of chilli vinegar, we guarantee you'll have the best-dressed chips across the Norfolk Coast.
